Examiner's Statement of Reasons for Allowance

The prior art of record (including newly cited U.S. Patent 5,499,340, granted on March 12, 1996 to Robert Barritz, a named inventor in the instant application) does not teach, nor fairly suggest, the collection and storage of process-related data, in combination with a software license manager configured as a license manager server, in further combination with a correlator that correlates software product use data with the process-related data and creates records, as claimed.

Any comments considered necessary by Applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
